FOREWORD

ПРЕДИСЛОВИЕ

Пособие «English for University Students. Grammar Exercises» представляет собой сборник упражнений по темам, изучаемым в курсе грамматики на первом году обучения. В каждом разделе имеются как традиционные упражнения, так и коммуникативные задания, нацеленные на ситуативное употребление грамматических структур.

Расположение материала не предполагает жесткой последовательности при применении его на практике, что дает преподавателю возможность самому определять порядок изучения тем и время, необходимое для освоения того или иного раздела. Пособие может быть использовано как для аудиторной, так и для самостоятельной работы. Оно содержит упражнения по основным разделам грамматики: артикль, имя существительное, имя прилагательное, наречие, местоимение, глагол (видо-временные формы, страдательный залог, косвенная речь и согласование времен, модальные глаголы, глагол в условных предложениях) и некоторые другие. В задачу авторов входило создать сборник упражнений, направленный на практическое освоение английской грамматики, однако в некоторые разделы вошли и задания аналитического характера, необходимые для лучшего осмысления студентами тех или иных грамматических явлений. Во многих случаях основой для подобных упражнений служили отрывки из произведений современной англоязычной литературы.

Работа над пособием распределялась следующим образом:

О. А. Березина: темы «Артикль», «Имя существительное», «Местоимение, имя прилагательное и наречие», «Модальные глаголы», «Сложные случаи употребления глагола», «Причастие», «Герундий», «Инфинитив», «Повелительное наклонение», «Косвенная речь».

Е. М. Шпилюк: темы «Времена глагола», «Страдательный залог», «Условные предложения», «Сложное дополнение», «Страдательный залог в косвенной речи», «Условные предложения в косвенной речи» и подтема «Повторение косвенной речи».

Авторы выражают искреннюю благодарность всем коллегам, оказавшим неоценимую помощь в процессе работы:

профессору Н. Лонгану (США) и М. Коллинз (Великобритания);

профессору кафедры английского языка РГПУ им. А. И. Герцена, доктору филологических наук Н. А. Кобриной за ценные рекомендации при создании пособия;

всем сотрудникам факультета, в той или иной мере способствовавшим созданию пособия.
